## PRESS RELEASE-FOR IMMEDIATE RELEASE

Families in Delaware county need high-quality child care.

Have you ever dreamed of working from home & helping your community at the same time?

Do you enjoy being with children?

Have you thought about becoming a family child care?

By offering child care in your home, you have the opportunity to earn an income, stay home with your own children, and help families in your community.

Delaware Opportunities Child Care Resource and Referral

(CCRR) can help you determine if this is the right path for you and get you started on the application process to becoming a registered or licensed Family Day Care provider.

Delaware Opportunities CCRR can assist you with the application process from start to finish. We can help you understand the requirements such as training you will need, fingerprinting and grants, and answer questions you may have.

Once you are a licensed or registered child care provider the CCRR staff is here to help you get your business started and we are a phone call away
