PRESS RELEASE FOR IMMEDIATE RELEASE

CARES Child Care Scholarships available

The newest allocation of funding to the state from the federal Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") provides New York with an additional \$88.6 million in emergency relief to the child care system. This includes \$20 million in child care scholarships for children of essential workers that will run from October 29, 2020 through December 31, 2020 or until funds are depleted. Essential workers using a regulated child care provider will receive a scholarship for the cost of care as long as the funds to support it are available. All licensed and regulated providers who are caring for essential workers are able to participate in this new program.

New York State's continued funding will ensure that the workforce that is needed to protect and care for the public during this ongoing pandemic have the child care they need. This scholarship will be administered through Child Care Resource and Referral (CCR&R) agencies. CCR&Rs
